

# **STANDUP** b a n n e r s t a n d

Simple, elegant and great value for money

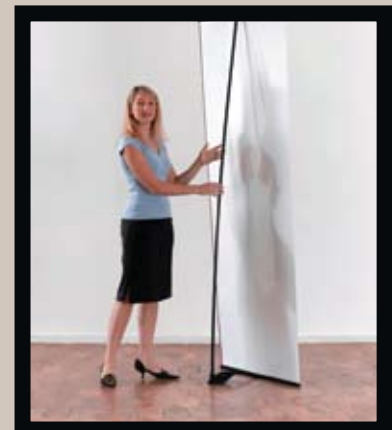

COMPLETE DISPLAY SOLUTIONS  
**EMERGENT**  **DESIGNS**

**Standup** bannerstand is simple and cost effective, yet elegant, making it the display of choice for instant promotions and point of sale applications. **Standup** is also extremely easy to assemble and packs away in seconds into a smart nylon carry case. Weighing only 4.1kg, it is also the lightest display around.

The simplicity of **Standup** is also its strength as there are no wearing parts that can break down. With **Standup**, you will have years of hassle free use of your display. The main components are also separate and interchangeable, so you can easily replace components. This is a great advantage with the banner graphic as new or existing graphics can be swapped around easily.

**Standup** banner graphics are the best available in the market. Printed with the latest digital technology, you will get unsurpassed clarity and colour reproduction, giving your message a truly professional look. The banner material is of a high grade poly material, tough and scratch resistant.

- **Simple and elegant**
- **Great value for money**
- **Easy to assemble**
- **Very light weight**
- **Graphics are photo quality, tough and non-scratching**
- **Graphics are easily interchangeable**

## Standup Murals

### The most cost effective, lightest and simplest method to create large freestanding murals

Want to create a 3m wide x 2.15m high backdrop mural for under \$2500 and which weighs just 13kg and can be erected in under 5 minutes? Then the **Standup Mural** is for you. Based on our simple but robust **Standup** banner combined with our unique magnetic edge connectors, you can create large murals in any combination of sizes to suit your needs.
